

Equipment Checklist

Environmental protection									
Urban	24 hr.	48 hr.							
									Rain coat
									Rain pants
									Leather gloves
									Pack and Pack cover
									Helmet

Gear for 48-hour pack, required for all searches, Course 2,3 and 4. Once on scene the OL may advise as to use of Urban, 24 or Team 48 packs.

SAR tools									
Urban	24 hr.	48 hr.							
									Pen
									Notebook
									UTM/USNG grid reader
									Compass
									Whistle
									Headlamp
									Flashlight
									Extra batteries
									Folding knife
									Grid tape
									First aid kit
									Eye protection
									Watch

Team 48 - each team needs to have Sleeping bag, Pad, stove, cooking/ eating kit, drinks/soup for the subject. Items are in **bold and italics**.

Your packing list is a guideline. You are responsible for having all required items on the list covered. It is up to you how to do that.

The list flows from Urban to 48-hour equipment by systems. If you are required to carry a 48-hour pack you will need all the required items.
